

# DINO11 Bordeaux July 2017

## 11th INTERNATIONAL CONFERENCE ON MODERN AND FOSSIL DINOFLAGELLATES

17 to 21 July 2017, Bordeaux (France)

Held every four years these international conferences aim at gathering worldwide specialists of the study of dinoflagellates and their cysts. Biologists, geologists, both from academic and private institutes will share the latest advances of their research on this topic.
